QUESTIONS AND ANSWERS

Q: When and where is the Annual Meeting?

A: The Company's Annual Meeting of Shareholders will be held at 11:00 a.m., Eastern Time, Friday, June 15, 2018, at our principal executive offices at 7 Clyde Road, Somerset, NJ 08873.

Q: Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the SEC, we may furnish proxy materials, including this proxy statement and our Annual Report, to our shareholders by providing access to such documents on the Internet instead of mailing printed copies. Most shareholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials, which was mailed to most of our shareholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice of Internet Availability also instructs you as to how you may submit your proxy on the Internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials in the Notice.

Q: Who is entitled to vote?

A: You are entitled to vote at the Annual Meeting if the Company's records on April 9, 2018 (the "record date") showed that you owned the Company's common stock, par value \$.001 (the "Common Stock"). As of April 9, 2018, there were 11,665,174 shares of Common Stock outstanding.

Q: What will I likely be voting on?

A: There are three proposals that are expected to be voted on at the Annual Meeting, which are (i) to amend our certificate of incorporation to increase the Company's authorized shares of preferred stock from two million shares to four million shares; (ii) to elect one director candidate nominated by our Board of Directors to serve as director; and (iii) to amend the Company's Amended and Restated Equity Incentive Plan to increase the number of shares of the Company's Series A Preferred Stock issuable under the plan from 100,000 shares to 300,000 shares. As of the date of this Proxy Statement, the Company was not aware of any additional matters to be raised at the Annual Meeting.

Q: What is the Board's recommendation?

A: The Board of Directors recommends that you vote your shares:

- FOR the amendment of our certificate of incorporation to increase the Company's authorized shares of preferred stock from two million shares to four million shares.
- FOR the director nominee.
- FOR the amendment of the Amended and Restated Equity Incentive Plan to increase the number of shares of Series A Preferred Stock issuable under the plan from 100,000 shares to 300,000 shares.

Q: How many votes is each share entitled to?

A: Each share of Common Stock has one vote. The enclosed proxy card shows the number of shares that you are entitled to vote.

Q: Do I need a ticket to attend the Annual Meeting?

A: Yes. Retain the top of the proxy card as your admission ticket. One ticket will permit two persons to attend. If your shares are held through a broker, contact your broker and request that the broker provide you with evidence of share ownership. This documentation, when presented at the registration desk at the Annual Meeting, will enable you to attend the Meeting.

Q: How do proxies work?

A: The Board of Directors is asking for your proxy. Giving us your proxy means that you authorize us to vote your shares at the Meeting in the manner you direct. You may also abstain from voting. If you sign and return the enclosed proxy card but do not specify how to vote, we will vote your shares in accordance with the Board of Directors' recommendations.

Q: How do I vote?

A: You may:

- Vote by marking, signing, dating, and returning a proxy card;
- Vote via the Internet by following the voting instructions on the proxy card or the voting instructions provided by your broker, bank, or other holder of record. Internet voting procedures are designed to authenticate your identity, allow you to vote your shares, and confirm that your instructions have been properly recorded. If you submit your vote via the Internet, you may incur costs associated with electronic access, such as usage charges from Internet access providers and telephone companies;
- Vote in person by attending the Annual Meeting. We will distribute written ballots to any shareholder who wishes to vote in person at the Annual Meeting.

If your shares are held in street name, your broker, bank, or other holder of record will include a voting instruction form with this Proxy Statement. We strongly encourage you to vote your shares by following the instructions provided on the voting instruction form. Please return your voting instruction form to your broker, bank, or other holder of record to ensure that a proxy card is voted on your behalf.

Q: Do I have to vote?

A: No. However, we strongly encourage you to vote.

Q: What does it mean if I receive more than one proxy card?

A: If you hold your shares in multiple registrations, or in both registered and street name, you will receive a proxy card for each account. Please mark, sign, date, and return each proxy card you receive. If you choose to vote by Internet, please vote each proxy card you receive.

Q: Will my shares be voted if I do not sign and return my proxy card?

A: If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may use its discretion to vote your shares on "routine matters. For any "non-routine matters" being considered at the Meeting, your broker or other nominee would not be able to vote on such matters.

Q: Can I change my vote?

A: Yes. You may revoke your proxy and change your vote before the Annual Meeting by submitting a new proxy card with a later date, by casting a new vote via the Internet, by notifying the Company's Corporate Secretary in writing, or by voting in person at the Meeting. If you do not properly revoke your proxy, properly executed proxies will be voted as you specified in your earlier proxy.

Q: What is a quorum?

A: A quorum is the number of shares that must be present, in person or by proxy, in order for business to be transacted at the Annual Meeting. At least a majority of the outstanding shares eligible to vote must be represented at the Meeting, either in person or by proxy, in order to transact business.

Q: Who will tabulate the votes?

A: A representative from our Company, Norman Roth, will tabulate the votes and act as inspector of election.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of election. The inspector will also determine whether a quorum is present at the Annual Meeting.

The shares represented by the proxy cards received, properly marked, dated, signed, and not revoked, will be voted at the Annual Meeting. If the proxy card specifies a choice with respect to any matter to be acted on, the shares will be voted in accordance with that specified choice. Any proxy card that is returned signed but not marked will be voted as recommended by the Board of Directors.

Q: How are proposals approved by the security holders?

A: Our directors will be elected by a plurality of the votes cast by the shares entitled to vote at the Annual Meeting so long as a quorum is present. All other corporate governance actions will be approved by a majority of the votes cast. Although state law and our certificate of incorporation and bylaws are silent on the issue, abstentions or broker non-votes as to any matter will be included in the calculations as to the presence of a quorum, but will not be counted as votes cast in such matter in the calculation as to the needed majority vote.

Q: Who will bear the costs of this solicitation?

A: Our Board of Directors is making this solicitation, and we will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. If you choose to access the proxy materials over the internet, however, you are responsible for internet access charges you may incur. The solicitation of proxies or votes may be made in person. We will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

Q: What should I do now?

A: You should read this proxy statement carefully and promptly submit your proxy card or vote by the internet as provided on the proxy card to ensure that your vote is counted at the Annual Meeting.

Q: How will shares in the Company's employee benefit plans be voted?

A: If you are or were a participant in the Company's employee benefit plans, this Proxy Statement is being used to solicit voting instructions from you with respect to shares of our stock that you own but which are held by the trustees of our benefit plans for the benefit of you and other plan participants. Shares held in our benefit plans that you are entitled to vote will be voted by the plan trustees pursuant to your instructions. Shares held in any employee benefit plan that you are entitled to vote, but do not vote, will be voted by the plan trustees in proportion to the voting instructions received for other shares. You must instruct the plan trustees to vote your shares by utilizing one of the voting methods described above.

Q: How do I obtain a copy of the Company's materials related to corporate governance?

A: The Company's Corporate Governance materials, charters of each standing Board Committee, Code of Conduct, and other materials related to our corporate governance can be found in the Corporate Governance section of the Company's website at ir.mtbc.com/corporate-governance.cfm.

CORPORATE GOVERNANCE

Role and Composition of the Board of Directors

The Company’s Board of Directors believes that good corporate governance principles and practices provide a strong framework to assist the Board in fulfilling its responsibilities to shareholders. The Board recognizes the interests of the Company’s shareholders, employees, customers, suppliers, consumers, creditors, and the communities in which it operates, who are all essential to the Company’s success. Accordingly, the Board has adopted corporate governance principles relating to its role, composition, structure, and functions. The Board periodically reviews the principles and other corporate governance matters.

Role of the Board and Management and Role in Risk Oversight

The Company's business is conducted by its employees, managers, and officers under the direction of the Chief Executive Officer ("CEO") and the oversight of the Board. The Board of Directors is elected by the shareholders to oversee management and to ensure that the long-term interests of the shareholders are being served. Directors are expected to fulfill duties of care and loyalty and to act with integrity as they actively conduct Board matters.

As part of its general oversight function, the Board actively reviews and discusses reports by management on the performance of the Company, its strategy, goals, financial objectives, and prospects, as well as issues and risks facing the Company. The opinions of the independent Compensation Committee Board members are solicited with respect to the selection, evaluation, and determination of compensation and succession planning for the Executive Chairman, CEO and senior executive officers who report directly to the CEO. The Board oversees processes designed to maintain the quality of the Company, including the integrity of the financial statements, the integrity of compliance with laws and ethics, and the integrity of relationships with stakeholders, including shareholders, employees, customers, suppliers, consumers, and the communities in which the Company operates.

The Board administers its risk oversight function directly and through the Board committees. Management regularly reports to the Board and/or the relevant committee regarding identified or potential risks. The general areas of material risk to the Company include strategic, operational, financial, regulatory, and legal risks. The Board regularly reviews our Company's strategies and attendant risks, and provides advice and guidance on strategies to manage these risks while attaining long- and short-term goals.

Operational risks, financial risks, including internal controls and credit risk associated with our customers, and risks associated with data privacy and security, as well as overall economic risks, are within the purview of the Audit Committee. The Audit Committee's review is accompanied by regular reports from management and assessments from our internal and external auditors. In assessing legal or regulatory risks, the Board and the Audit Committee are advised by management, legal counsel, and experts, as appropriate.

The Compensation Committee is responsible for overseeing the management of risks associated with executive and employee compensation plans and retention, with the goal to ensure that the Company's compensation programs remain consistent with our stockholders' interests, that such programs do not encourage excessive risk-taking and that such programs are designed to retain valued executives and employees.

Board Membership Qualifications

The Board has the responsibility for nominating director candidates to shareholders and filling vacancies. The Nominating and Corporate Governance Committee is responsible for recommending candidates to the Board, as well as recommending the selection criteria used in seeking nominees for election to the Board. The Board has adopted the following director nominee selection criteria. Nominees should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of all shareholders. Nominees should be selected on the basis of their business and professional experience and qualifications, public service, diversity of background, availability to devote sufficient time to the Board and the needs of the Company in light of the qualifications of the other directors or nominees. Candidates should be persons who have demonstrated leadership in multinational companies or government, finance or accounting, higher education or other fields, or who are able to provide the Company with relevant expertise, industry knowledge or marketing acumen. Nominees should also represent all shareholders rather than special interest groups or any group of shareholders. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contribution to the activities of the Board. The Nominating and Corporate Governance Committee may use the services of an executive search firm to assist the Company in identifying potential nominees and to participate in the evaluation of candidates for Board membership. Shareholders may suggest nominees for consideration by submitting names of nominees and supporting information to the Corporate Secretary of the Company.

Size of the Board

The Company's By-Laws establish that the Board shall determine the number of directors from time to time so long as the number so determined shall not be less than three. The Board periodically reviews the appropriate size of the Board, which is presently set at six Board members by resolution of the Board of Directors.

Executive Chairman and CEO

The Executive Chairman and the CEO are selected by the Board. The Board determines whether the roles of Executive Chairman and CEO should be separate or combined based upon its judgment as to the most appropriate structure for the Company at a given point in time.

Ethics and Conflicts of Interest

The Board expects its directors, as well as the Company's officers and employees, to act ethically at all times and to acknowledge their adherence to the policies comprising the Company's Code of Conduct. The Board will not permit any waiver of any ethics policy for any director or executive officer. The Board will resolve any conflict of interest question involving a director, the CEO, or a member of the Office of the Executive Chairman, and the CEO will resolve any conflict of interest issue involving any other officer of the Company. The Code of Conduct is available at ir.mtbc.com/corporate-governance.cfm.

BOARD COMMITTEES**Number and Responsibilities of Committees**

The current three committees of the Board are Audit, Compensation, and Nominating and Corporate Governance. The membership of the committees is required to consist entirely of independent directors, based on the NASDAQ requirements. The Board may form new committees, disband an existing committee, and delegate additional responsibilities to a committee. The responsibilities of the committees are set forth in written charters, which are reviewed periodically by the committees, the Nominating and Corporate Governance Committee, and the Board, and are available on the Company's website at ir.mtbc.com/corporate-governance.cfm.

Committee Meetings

The chair of each committee, in consultation with committee members and in compliance with the committee's charter requirements, determines the frequency of committee meetings and develops meeting agendas. The full Board is apprised of matters addressed by the committees in their meetings. During 2017, the Audit Committee held five meetings, the Compensation Committee held four meetings, and the Nominating and Corporate Governance Committee held four meetings.

BOARD OPERATIONS

Board Meetings

Regular meetings of the Board are held at least four times per year. The Board may hold additional meetings, including by teleconference or other electronic means, as needed, to discharge its responsibilities. The Chairman of the Board, in consultation with other Board members, establishes the agenda for each Board meeting. Each Board member may suggest items for inclusion on the agenda.

During 2017, the Board held five meetings and acted by written/electronic consent twelve times. Each director attended at least 75% of all Board of Directors and applicable committee meetings.

Two directors attended last year's Annual Meeting of Shareholders.

Board Materials

Information and data that is important to the business to be considered at a Board or committee meeting is distributed in advance of the meeting, to the extent possible.

Management Evaluation, Succession, and Compensation

The performance of the Executive Chairman and CEO is evaluated annually by the Compensation Committee, in consultation with the full Board, based upon objective criteria, including the performance of the business and the accomplishment of goals and strategic objectives. This committee also makes recommendations to the Board with respect to CEO succession. The CEO reviews management succession planning and development with the full Board of Directors on an annual basis. The Compensation Committee evaluates performance in setting Executive Chairman and CEO and senior executive officer salary, bonus, and other incentive and equity compensation.

Board Compensation

The Compensation Committee is responsible for recommending any changes in Board compensation. In discharging this duty, the committee is guided by the following considerations: compensation should fairly pay directors for work required for a company of MTBC's size and scope; compensation should align directors' interests with the long-term interests of shareholders; and the structure of compensation should be transparent and understandable. Non-employee directors receive a monthly retainer plus restricted stock units, with no additional fees for meeting attendance. The chairman of the Audit Committee receives an additional retainer for serving in that capacity.

Board Access to Management and Independent Advisors

Members of the Board have free access to the employees of the Company, and Board committees have the authority to retain such outside advisors as they determine appropriate to assist in the performance of their functions. Additionally, members of the Board may periodically visit Company facilities.

Approval of Goals and Strategic and Financial Objectives

The overall strategy of the Company is reviewed periodically at Board meetings.

Communication with Management and Directors

The response to any shareholder proposal is the responsibility of management subject to oversight by the appropriate Board committee. The Board is apprised of shareholder proposals and the Company's response to such proposals.

Shareholders and other interested parties may contact the presiding director or non-management directors via the Corporate Secretary of the Company at 7 Clyde Road, Somerset, NJ 08873.

Disclosure and Review of Corporate Governance Principles

The Company's Corporate Governance Principles and all Board committee charters are available on the Company's website at ir.mtbc.com/corporate-governance.cfm and are also available in print to any shareholder upon request. The Nominating and Corporate Governance Committee reviews these Corporate Governance Principles periodically, and reports the results of this review to the full Board.

Policies on Business Ethics and Conduct

All Company employees and directors, including the Executive Chairman, CEO, the Chief Financial Officer, and the Principal Accounting Officer, are required to abide by the Company's Code of Conduct to ensure that the Company's business is conducted in a consistently legal and ethical manner. The Code of Conduct forms the foundation of a comprehensive program that requires compliance with all corporate policies and procedures and seeks to foster an open relationship among colleagues that contributes to good business conduct and an abiding belief in the integrity of our employees. The Company's policies and procedures cover all areas of professional conduct, including employment policies, conflicts of interest, intellectual property, and the protection of confidential information, as well as strict adherence to all laws and regulations applicable to the conduct of the Company's business.

Employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Conduct.

The full text of the Code of Conduct is published on the Company's website at ir.mtbc.com/corporate-governance.cfm, and is available in print to any shareholder upon request.

Director Independence

Our Board has considered the relationships of all directors with us and the independence of each director, and determined that Ms. Anne Busquet, and Messrs. Howard Clark, John Daly and Cameron Munter, do not have any relationship which would interfere with the exercise of independent judgment in carrying out his or her responsibility as a director and that each non-employee director qualifies as an independent director under the applicable rules of NASDAQ.

Employee Benefit Plans

Amended and Restated Equity Incentive Plan. The purpose of the Amended and Restated Equity Incentive Plan (the “Amended Plan”) is to promote our success by linking the personal interests of our employees, officers, directors and consultants to those of our shareholders, and by providing participants with an incentive for outstanding performance. The Amended Plan authorizes the grant of awards in any of the following forms:

- Options to purchase shares of common stock, which may be non statutory stock options or incentive stock options under the Internal Revenue Code (the “Code”). The exercise price of an option granted under the Amended Plan may not be less than the fair market value of our common stock on the date of grant. Stock options granted under the Amended Plan have a term of ten years.
- Stock appreciation rights, or SARs, which give the holder the right to receive the excess, if any, of the fair market value of one share of common stock on the date of exercise, over the base price of the stock appreciation right. The base price of a SAR may not be less than the fair market value of our common stock on the date of grant. SARs granted under the Amended Plan have a term of ten years.
- Restricted stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee.
- Restricted stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property) in the future, based upon the attainment of stated vesting or performance goals set by the Compensation Committee.
- Performance stock and cash settled awards, which represent the right to receive shares of common stock or cash, as applicable, in the future upon the attainment of certain stated performance goals.
- Preferred stock, which is subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee.
- Other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants.

All awards are evidenced by a written award certificate between MTBC and the participant, which include such provisions as may be specified by the Compensation Committee. Dividend equivalent rights, which entitle the participant to payments in cash or property calculated by reference to the amount of dividends paid on the shares of stock underlying an award, may be granted with respect to awards other than options or SARs.

Awards to Non-Employee Directors. Awards granted under the Amended Plan to non-employee directors may be made only in accordance with the terms, conditions and parameters of a plan, program or policy for the compensation of non-employee directors as in effect from time to time. The Committee may not make discretionary grants under the Amended Plan to non-employee directors.

Shares Available for Awards: Adjustments. Subject to adjustment as provided in the Amended Plan, the aggregate number of shares of common stock reserved and available for issuance pursuant to awards granted under the Amended Plan at December 31, 2017 is 1,211,234. There are also 27,200 shares of our 11% Series A Cumulative Perpetual Preferred Stock reserved and available for issuance under the Amended Plan. In the event of a nonreciprocal transaction between MTBC and its shareholders that causes the per share value of the common stock to change (including, without limitation, any stock dividend, stock split, spin-off, rights offering, or large nonrecurring cash dividend), the share authorization limits under the Amended Plan will be adjusted proportionately, and the Compensation Committee must make such adjustments to the Amended Plan and awards as it deems necessary, in its sole discretion, to prevent dilution or enlargement of rights immediately resulting from such transaction.

Administration. The Amended Plan will be administered by the Compensation Committee. The Committee will have the authority to grant awards; designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the Amended Plan; and make all other decisions and determinations that may be required under the Amended Plan. The Board of Directors may at any time administer the Amended Plan. If it does so, it will have all the powers of the Compensation Committee under the Amended Plan. In addition, the Board may expressly delegate to a special committee some or all of the Compensation Committee's authority, within specified parameters, to grant awards to eligible participants who, at the time of grant, are not executive officers.

Limitations on Transfer: Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution; provided, however, that the Compensation Committee may permit other transfers (other than transfers for value) where the Compensation Committee concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Treatment of Awards upon a Participant's Death or Disability. Unless otherwise provided in an award certificate or any special plan document governing an award, upon the termination of a participant's service due to death or disability:

- all of that participant's outstanding options and SARs will become exercisable to the extent the participant was entitled to exercise such option or SAR, but only within the period ending on the earlier of (i) twelve (12) months with respect to a termination due to disability and eighteen (18) months with respect to a termination due to death, and (ii) the term of the option or SAR;
- shares of common stock and outstanding awards which have not vested at the time of the termination of service may be forfeited; and
- the payout opportunities attainable under all of that participant's outstanding performance-based awards may be forfeited and the awards may payout on a pro rata basis, based on the time elapsed prior to the date of termination.

Treatment of Awards upon a Change in Control. Unless subject to additional acceleration of vesting and exercisability as may be provided in an award certificate or any special plan document governing an award, outstanding awards will be subject to one year acceleration of vesting as provided in the Plan upon a change in control.

Termination and Amendment. The Amended Plan will terminate on April 3, 2024. The Board or the Compensation Committee may, at any time and from time to time, terminate or amend the Amended Plan, but if an amendment to the Amended Plan would constitute a material amendment requiring shareholder approval under applicable listing requirements, laws, policies or regulations, then such amendment will be subject to shareholder approval. No termination or amendment of the Amended Plan may adversely affect any award previously granted under the Amended Plan without the written consent of the participant. Without the prior approval of our shareholders, the Amended Plan may not be amended to directly or indirectly reprice, replace or repurchase "underwater" options or SARs.

Amended and Restated Equity Plan Benefits

Benefits to be received by our executive officers, directors and employees as a result of the Amended and Restated Equity Incentive Plan are not determinable, since the amount of grants of options and restricted stock made under the plan is discretionary. Set forth in the table below are the number of equity awards since inception that have been granted under the equity incentive plan to: (i) each of our named executive officers, (ii) our executive officers as a group, (iii) our non-employee directors as a group and (iv) our non-executive employees as a group. Shares which were forfeited are available to be re-granted under the Amended and Restated Equity Incentive Plan.

Report of the Audit Committee

The Board of Directors of MTBC has a separately-designated standing Audit Committee established in accordance with section 3(a)(58)(A) of the Exchange Act. MTBC's Audit Committee has three members: Mr. Howard L. Clark, Jr., who serves as the Chairperson, Ms. Anne B. Busquet and Mr. John N. Daly. The Audit Committee is comprised entirely of independent directors who meet the independence requirements of the Listing Rules of the NASDAQ Stock Market and the SEC. The Board of Directors has determined that Mr. Clark meets the criteria and definition of an "audit committee financial expert" pursuant to Item 407(d) of Regulation S-K. The Audit Committee operates pursuant to a charter that is available on the Investor Relations section of our website at ir.mtbc.com/corporate-governance.cfm.

Management has primary responsibility for MTBC's internal accounting controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of MTBC's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and to issue a report as a result of such audit. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee serves as a focal point for communication among the Board of Directors and its committees, the independent registered public accounting firm and management, as the respective duties of such groups, or their constituent members, relate to MTBC's financial accounting and reporting and to its internal controls.

In performing its responsibilities, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited consolidated financial statements in MTBC's Annual Report on Form 10-K for the year ended December 31, 2017. These discussions included the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board.

The Audit Committee also discussed with the independent registered public accounting firm its independence from MTBC and its management, including the written disclosures and letter submitted to the Audit Committee by the independent registered public accounting firm as required by the Public Company Accounting Oversight Board.

Based on the reviews and discussions referred to above, the Audit Committee unanimously recommended to the Board of Directors (and the Board of Directors approved) that the audited financial statements be included in MTBC's Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the SEC.

Matters to Be Acted Upon

1. Amend the Company's Certificate of Incorporation to Increase the Number of Authorized Shares of Preferred Stock

(Item 1 on proxy card)

Our Board of Directors has authorized, approved and declared advisable an amendment to our certificate of incorporation (the "Certificate") that increases the number of authorized shares of our preferred stock from two million shares to four million shares. The proposed amendment is subject to approval by our shareholders.

We anticipate the possibility of one or more offerings of these newly authorized shares of preferred stock in the future; however, no further authorization by shareholders will be needed by the Company for the issuance thereof. The specific terms of the preferred stock being authorized including dividend rates, voting rights, conversion prices (if any), redemption prices, maturity dates, and similar matters, will all be determined by the Board of Directors. The additional preferred stock to be authorized by the proposed amendment may include shares having rights identical to our currently outstanding Series A Preferred Stock and may include shares having rights that are materially different than our Series A Preferred Stock.

Our Board believes that it is advisable and in our best interests and the best interests of our shareholders to amend the Certificate in order to have available additional authorized but unissued shares of preferred stock in an amount adequate to provide for our future needs. The additional shares will be available for issuance from time to time by us in the discretion of our Board. We intend to continue to evaluate possible acquisitions. If any such acquisitions were paid for using cash or stock, we could potentially need to issue additional shares of preferred stock for capital raising purposes or as consideration for such acquisitions. By amending the Certificate to increase the authorized preferred stock at this time, our Board will then be able to respond quickly to a potential business opportunity where it would be impracticable for us to seek and timely obtain shareholder approval authorizing additional shares for purposes of such opportunity. Additional authorized shares will also provide us with greater flexibility to use our preferred stock for various other business purposes including awarding additional shares under the equity incentive plan and establishing strategic relationship with other companies. We anticipate the possibility of one or more offerings of preferred stock to finance future growth; however, we do not currently have specific arrangements or plans that would involve the issuance of the proposed additional authorized shares.

The proposed amendment and a complete copy of the Company's existing certificate of incorporation is attached hereto as Appendix A.

The Board of Directors unanimously recommends a vote FOR the approval of an amendment to the Company's Certificate of Incorporation to increase the authorized number of shares of preferred stock.

2. Amend the Company's Amended and Restated Equity Incentive Plan to increase the shares of the Company's Series A Preferred Stock issuable under the plan from 100,000 shares to 300,000 shares.

(Item 2 on proxy card)

Our Board of Directors has authorized, approved and declared advisable an amendment to our Amended and Restated Equity Incentive Plan to add an additional 200,000 shares of Series A Preferred Stock for future grants. We are asking our shareholders to approve the increase of 200,000 shares of our Series A Preferred Stock to our existing plan.

The Board believes that it is in our and our stockholders' interest to approve the increase of 200,000 shares of the Series A Preferred Stock to the Amended and Restated Equity Incentive Plan because it would provide sufficient shares remaining for issuance under the plan to allow the Compensation Committee to continue to award equity-based incentive compensation for our current and future directors, officers and employees.

The proposed amendment and a complete copy of the existing Amended and Restated Equity Incentive Plan is attached hereto as Appendix B.

The Board of Directors unanimously recommends a vote FOR the approval of the amendment to the Company's Amended and Restated Equity Incentive Plan

3. Election of Director

(Item 3 on proxy card)

You will have the opportunity to elect one member to our Board of Directors, currently consisting of six members, at the Annual Meeting. The director will be elected for a two-year term.

The Board of Directors has nominated the following nominee for election as director at the Annual Meeting:

John N. Daly has served as a member of our Board of Directors since December 2013, and is the Chairman of our Compensation Committee and a member of our Audit Committee. Since May 2007, Mr. Daly has served as the President of IMMS, LLC, a third party marketer of investment management firms. Previously, Mr. Daly held other management positions in the financial services industry, including during his 23 years at E.F. Hutton & Co. from 1960 to 1983, where at various times he ran the Syndicate Department, the Commodities Division and the Asset Management Division. He later joined Salomon Brothers, both at the New York and London offices, where he headed the Private Client Division and International Equity Capital Markets. Mr. Daly also served as the Senior Managed Accounts Specialist at Prudential Investments from 2002-2005. Mr. Daly graduated from Yale University and completed the Harvard Business School Advanced Management Program in 1979.

The Board of Directors unanimously recommends a vote FOR the election of the nominee named above.

Required Vote

As to Item 3, the Election of Director, the nominee must receive a plurality of the voting power, entitled to vote for the election of directors, of the shares present or represented by proxy at the meeting in order to be elected. This means that the director candidate receiving the largest number of votes “for” their election will be elected to the Board of Directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who beneficially own more than 10% of any class of our equity securities, who collectively we refer to as “insiders,” to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of common stock and other equity securities of the company. Our insiders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. The Company has undertaken the responsibility to file all Section 16(a) reports for the Board of Directors and Officers based on the information available to them.

Based solely on a review of the copies of the forms furnished to us, we believe that during the 2017 fiscal year, our insiders complied with all applicable filing requirements.

OTHER BUSINESS

Our Board of Directors does not presently intend to bring any other business before the Annual Meeting, and, so far as is known to the Board of Directors, no matters are to be brought before the Annual Meeting except as specified in the Notice of Annual Meeting of Shareholders. We have not been informed by any of our shareholders of any intention to propose any other matter to be acted upon at the Annual Meeting. The persons named in the accompanying Proxy are allowed to exercise their discretionary authority to vote upon any other business as may properly come before the Annual Meeting. As to any such other business that may properly come before the meeting, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.

We shall deliver promptly, upon written or oral request, a separate copy of the Notice of Internet Availability to a security holder at a shared address to which a single copy of the document was delivered. A security holder can notify us that the security holder wishes to receive a separate copy of the Notice of Internet Availability by sending a written request to us at Investor Relations, Medical Transcription Billing, Corp., 7 Clyde Road, Somerset, NJ 08873, or by calling us at (732) 873-5133. A security holder may utilize the same address and telephone number to request either separate copies or a single copy for a single address for all future proxy statements, if any, Notices of Internet Availability, and annual reports of the Company.

SHAREHOLDER PROPOSALS FOR 2019 ANNUAL MEETING OF SHAREHOLDERS

Shareholder proposals intended for inclusion in our proxy statement and form of proxy relating to our 2019 Annual Meeting of Shareholders must be received by us not later than December 21, 2018. If we hold our 2019 Annual Meeting of Shareholders more than 30 days before or after June 15, 2019 (the one-year anniversary date of the 2018 Annual Meeting of Shareholders), we will disclose the new deadline by which shareholder proposals must be received under Item 5 of Part II of our earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably determined to inform shareholders. In addition, shareholder proposals must otherwise comply with the requirements of Rule 14a-8 under the Exchange Act. Such proposals also must comply with SEC regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in company-sponsored proxy materials. Proposals should be addressed to: Corporate Secretary, Medical Transcription Billing, Corp., 7 Clyde Road, Somerset, New Jersey 08873.

Our bylaws also establish an advance notice procedure for shareholders who wish to present a proposal before an annual meeting of shareholders but do not intend for the proposal to be included in our proxy statement. Under our bylaws, director nominations and other business may be brought at an Annual Meeting of Shareholders only by or at the direction of our Board of Directors or by a shareholder entitled to vote who has submitted a proposal in accordance with the requirements of our bylaws as in effect from time to time. Notice of Shareholder proposals for the 2019 Annual Meeting of Shareholders, other than proposals intended for inclusion in our proxy statement as set forth in the preceding paragraph, must be received by the Corporate Secretary at our principal executive offices no later than March 6, 2019. Please refer to the full text of our advance notice bylaw provisions for additional information and requirements. If we hold our 2019 Annual Meeting of Shareholders more than 30 days before or after June 15, 2019 (the one-year anniversary date of the 2018 Annual Meeting of Shareholders), then notice of a shareholder proposal that is not intended to be included in our proxy statement must be received not later than the close of business on the earlier of the following two dates:

- the 10th day following the day on which notice of the meeting date is mailed, or
- the 10th day following the day on which public disclosure of the meeting date is made.

Only such proposals as are (1) required by the rules of the SEC and (2) permissible under the Delaware General Corporation Law will be included on the 2019 Annual Meeting of Shareholders agenda. If a shareholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we are not required to present the proposal for a vote at such meeting.

4. The Certificate of Incorporation of this corporation shall be amended and restated to read in full as follows:

ARTICLE I

The name of this corporation is Medical Transcription Billing, Corp. (the "Corporation")

ARTICLE IV

4.1 Classes of Stock. The Corporation is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The total number of shares which the Corporation is authorized to issue is 21,000,000 shares, consisting of 19,000,000 shares of Common Stock and 2,000,000 shares of Preferred Stock, each with a par value of \$0.001 per share.

4.2 Increase or Decrease in Authorized Capital Stock. The number of authorized shares of Preferred Stock or Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority in voting power of the stock of the Corporation entitled to vote generally in the election of directors, irrespective of the provisions of Section 242(b)(2) of the DGCL (or any successor provision thereto), voting together as a single class, without a separate vote of the holders of the class or classes the number of authorized shares of which are being increased or decreased, unless a vote by any holders of one or more series of Preferred Stock is required by the express terms of any series of Preferred Stock as provided for or fixed pursuant to the provisions of Section 4.4 of this Article IV.

4.3 Common Stock.

(a) The holders of shares of Common Stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders on which the holders of shares of Common Stock are entitled to vote. Except as otherwise required by law or this certificate of incorporation (this "Certificate of Incorporation" which term, as used herein, shall mean the certificate of incorporation of the Corporation, as amended from time to time, including the terms of any certificate of designations of any series of Preferred Stock) and subject to the rights of the holders of Preferred Stock, at any annual or special meeting of the stockholders, the holders of shares of Common Stock shall have the right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders; provided, however, that, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Certificate of Incorporation that relates solely to the terms, number of shares, powers, designations, preferences, or relative participating, optional or other special rights (including, without limitation, voting rights), or to qualifications, limitations or restrictions thereon, of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one more other such series, to vote thereon pursuant to this Certificate of Incorporation (including, without limitation, by any certificate of designations relating to any series of Preferred Stock) or pursuant to the DGCL.

(b) Subject to the rights of the holders of Preferred Stock, the holders of shares of Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board of Directors from time to time out of any assets or funds of the Corporation legally available therefor and shall share equally on a per share basis in such dividends and distributions.

(c) In the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, and subject to the rights of the holders of Preferred Stock in respect thereof, the holders of shares of Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of Common Stock held by them.

(d) Effective upon the date of filing this amendment with the Secretary of State of Delaware (the "Effective Date") each share of Common Stock of the Corporation issued and outstanding or held in the treasury of the corporation immediately prior to the Effective Date shall be automatically changed into and reclassified as 8.65 fully paid and nonassessable shares of common stock, par value \$0.001 per share, and on the Effective Date and by virtue of the foregoing reclassification, each such holder of record of Common Stock shall, without further action, be and become the holder of 7.65 additional shares of Common Stock for each share of Common Stock held of record immediately prior thereto. Effective on the Effective Date, each share of Common Stock outstanding or held in treasury immediately prior to such time shall continue to represent the same number of shares of Common Stock and as promptly as practicable thereafter, the corporation shall issue an additional 7.65 shares of Common Stock for each share of Common Stock held of record immediately prior thereto.

4.4 Preferred Stock.

(a) The Preferred Stock may be issued from time to time in one or more series pursuant to a resolution or resolutions providing for such issue duly adopted by the Board of Directors (authority to do so being hereby expressly vested in the Board of Directors). The Board of Directors is further authorized, subject to limitations prescribed by law, to fix by resolution or resolutions and to set forth in a certification of designations filed pursuant to the DGCL the powers, designations, preferences and relative, participation, optional or other rights, if any, and the qualifications, limitations or restrictions thereof, if any, of any wholly unissued series of Preferred Stock, including without limitation authority to fix by resolution or resolutions the dividend rights, dividend rate, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price or prices, and liquidation preferences of any such series, and the number of shares constituting any such series and the designation thereof, or any of the foregoing.

(b) The Board of Directors is further authorized to increase (but not above the total number of authorized shares of the class) or decrease (but not below the number of shares of any such series then outstanding) the number of shares of any series, the number of which was fixed by it, subsequent to the issuance of shares of such series then outstanding, subject to the powers, preferences and rights, and the qualifications, limitations and restrictions thereof stated in the Certificate of Incorporation or the resolution of the Board of Directors originally fixing the number of shares of such series. If the number of shares of any series is so decreased, then the shares constituting such decrease shall resume the status which they had prior to the adoption of the resolution originally fixing the number of shares of such series.

ARTICLE V

5.1 General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

5.2 Number of Directors; Election; Term.

(a) Subject to the rights of holders of any series of Preferred Stock with respect to the election of directors, the number of directors that constitutes the entire Board of Directors of the Corporation shall be fixed solely by resolution of the Board of Directors.

(b) Subject to the rights of holders of any series of Preferred Stock with respect to the election of directors, effective upon the Effective Date, the directors of the Corporation shall initially be divided into three classes as nearly equal in size as is practicable, hereby designated Class I, Class II and Class III, until the third annual meeting following the Effective Date, at which time the directors of the Corporation shall be divided into two classes as nearly equal in size as is practicable, hereby designated Class I and Class II. The initial assignment of members of the Board of Directors to each such class shall be made by the Board of Directors. The term of office of the initial Class I directors shall expire at the first annual meeting of the stockholders following the Effective Date, the term of office of the initial Class II directors shall expire at the second annual meeting of the stockholders following the Effective Date and the term of office of the initial Class III directors shall expire at the third annual meeting of the stockholders following the Effective Date. At each annual meeting of stockholders, commencing with the first annual meeting of stockholders following the Effective Date, each of the successors elected to replace the directors of a Class whose term shall have expired at such annual meeting shall be elected to hold office until the third annual meeting next succeeding his or her election and until his or her respective successor shall have been duly elected and qualified. At the third annual meeting after the Effective Date, the term of office of the initial Class III directors shall expire, at which point the Class III directors shall be divided into Class I and Class II as nearly equally as is practicable and at each following annual meeting of stockholders, each of the successors elected to replace the directors of a Class whose term shall have expired at such annual meeting shall be elected to hold office until the second annual meeting next succeeding his or her election and until his or her respective successor shall have been duly elected and qualified. Subject to the rights of holders of any series of Preferred Stock with respect to the election of directors, if the number of directors that constitutes the Board of Directors is changed, any newly created directorships or decrease in directorships shall be so apportioned by the Board of Directors among the classes as to make all classes as nearly equal in number as is practicable, provided that no decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(c) Notwithstanding the foregoing provisions of this Section 5.2, and subject to the rights of holders of any series of Preferred Stock with respect to the election of directors, each director shall serve until his or her successor is duly elected and qualified or until his or her earlier death, resignation, or removal.

(d) Elections of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide.

5.3 Removal. Subject to the rights of holders of any series of Preferred Stock with respect to the election of directors, a director may be removed only for cause from office upon the affirmative vote of the holders of at least 50.1% of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors.

ARTICLE VI

In furtherance and not in limitation of the powers conferred by statute, the Board of Directors of the Corporation is expressly authorized to adopt, amend or repeal the Bylaws of the Corporation.

ARTICLE VII

7.1 Advance Notice. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws of the Corporation.

7.4 Exclusive Jurisdiction. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee or agent of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation arising pursuant to any provision of the DGCL or the Corporation's Certificate of Incorporation or Bylaws, (iv) any action to interpret, apply, enforce or determine the validity of the Corporation's Certificate of Incorporation or Bylaws, or (v) any action asserting a claim against the Corporation governed by the internal affairs doctrine, in each such case subject to said Court of Chancery having personal jurisdiction over the indispensable parties named as defendants therein. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 7.4.

ARTICLE VIII

8.1 Limitation of Personal Liability. To the fullest extent permitted by the DGCL, as it presently exists or may hereafter be amended from time to time, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

8.2 Indemnification.

(a) The Corporation shall indemnify, to the fullest extent permitted by applicable law, any director or officer of the Corporation who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding") by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding. The Corporation shall be required to indemnify a person in connection with a Proceeding initiated by such person only if the Proceeding was authorized by the Board.

(b) The Corporation shall have the power to indemnify, to the extent permitted by the DGCL, as it presently exists or may hereafter be amended from time to time, any employee or agent of the Corporation who was or is a party or is threatened to be made a party to any Proceeding by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such Proceeding.

(c) Any repeal or amendment of this Article VIII by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Certificate of Incorporation inconsistent with this Article VIII will, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to further limit or eliminate the liability of directors) and shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or amendment or adoption of such inconsistent provision with respect to acts or omissions occurring prior to such repeal or amendment or adoption of such inconsistent provision.

ARTICLE IX

The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation (including any rights, preferences or other designations of Preferred Stock), in the manner now or hereafter prescribed by this Certificate of Incorporation and the DGCL; and all rights, preferences and privileges herein conferred upon stockholders by and pursuant to this Certificate of Incorporation in its present form or as hereafter amended are granted subject to the right reserved in this Article IX. Notwithstanding any other provision of this Certificate of Incorporation, and in addition to any other vote that may be required by law or the terms of any series of Preferred Stock, the affirmative vote of the holders of at least 66 2/3% of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required to amend, alter or repeal, or adopt any provision as part of this Certificate of Incorporation inconsistent with the purpose and intent of Article V, Article VI, Article VII or this Article IX (including, without limitation, any such Article as renumbered as a result of any amendment, alteration, change, repeal or adoption of any other Article).

NOW THEREFORE, BE IT RESOLVED, that pursuant to the authority granted to the Board of Directors in accordance with the provisions of the Amended and Restated Certificate of Incorporation, the Board of Directors hereby authorizes the amendment and restatement of the Existing Certificate so that it reads in its entirety as follows:

1. Designation and Amount. The shares of such series of Preferred Stock shall be designated as “11% Series A Cumulative Redeemable Perpetual Preferred Stock” and the number of shares constituting such series shall be 800,000 shares.

2. No Maturity, Sinking Fund, Mandatory Redemption. The Series A Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption, and will remain outstanding indefinitely unless the Corporation decides to redeem or otherwise repurchase the Series A Preferred Stock. The Corporation is not required to set aside funds to redeem the Series A Preferred Stock.

3. Ranking. The Series A Preferred Stock will rank, with respect to rights to the payment of dividends and the distribution of assets in the event of any liquidation, dissolution or winding up of the Corporation, (i) senior to all classes or series of the Corporation’s Common Stock, par value \$0.001 per share (“Common Stock”), and to all other equity securities issued by the Corporation other than equity securities referred to in clauses (ii) and (iii) of this Section 3; (ii) on parity with all equity securities issued by the Corporation with terms specifically providing that those equity securities rank on parity with the Series A Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation; (iii) junior to all equity securities issued by the Corporation with terms specifically providing that those equity securities rank senior to the Series A Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation; and (iv) effectively junior to all existing and future indebtedness (including indebtedness convertible into our Common Stock or Preferred Stock) of the Corporation and to any indebtedness and other liabilities of (as well as any preferred equity interest held by others in) existing subsidiaries of the Corporation. (a) Holders of shares of the Series A Preferred Stock are entitled to receive, when, as and if declared by the Board of Directors, out of funds of the Corporation legally available for the payment of dividends, cumulative cash dividends at the rate of 11% on \$25.00 per share of the Series A Preferred Stock per annum (equivalent to \$2.75 per annum per share). Commencing on the date of issuance of Series A Preferred Stock (as applicable, the “Issue Date”), dividends shall accrue on the Series A Preferred Stock daily and shall be cumulative from, and including, the applicable Issue Date, and shall be payable monthly in arrears on the 15th day of each month (each, a “Dividend Payment Date”) to the holders of record of the Series A Preferred Stock as they appear on the stock records of the Corporation at the close of business on the last day of the preceding month, whether or not a Business Day (each, a “Dividend Record Date”); provided, that if any Dividend Payment Date is not a Business Day (as defined below), then the dividend which would otherwise have been payable on that Dividend Payment Date may be paid on the next succeeding Business Day with the same force and effect as if paid on such Dividend Payment Date and no interest, additional dividends or other sums will accumulate on the amount so payable for the period from and after such Dividend Payment Date to such next succeeding Business Day. Dividends payable on the Series A Preferred Stock will be computed on the basis of a 360-day year consisting of twelve 30-day months, provided that for partial dividend periods, dividend payments will be pro rated, unless otherwise provided in the applicable securities offering and sale documents. The dividends payable on any Dividend Payment Date shall include dividends accumulated to, but not including, such Dividend Payment Date.

(b) No dividends on shares of Series A Preferred Stock shall be authorized by the Board of Directors, or paid or set apart for payment by the Corporation at any time when the terms and provisions of any agreement of the Corporation, including any agreement relating to any indebtedness of the Corporation, prohibit the authorization, payment or setting apart for payment thereof or provide that the authorization, payment or setting apart for payment thereof would constitute a breach of the agreement or a default under the agreement, or if the authorization, payment or setting apart for payment shall be restricted or prohibited by law.

(c) Notwithstanding anything to the contrary contained herein, dividends on the Series A Preferred Stock will accumulate whether or not the Corporation has earnings, whether or not there are funds legally available for the payment of those dividends and whether or not those dividends are declared by the Board of Directors. No interest, or sum in lieu of interest, will be payable in respect of any dividend payment or payments on the Series A Preferred Stock which may be in arrears, and holders of the Series A Preferred Stock will not be entitled to any dividends in excess of full cumulative dividends described in Section 4(a). Any dividend payment made on the Series A Preferred Stock shall first be credited against the earliest accumulated but unpaid dividend due with respect to the Series A Preferred Stock.

(d) Except as provided in Section 4(e), unless full cumulative dividends on the Series A Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, (i) no dividends (other than in shares of Common Stock or in shares of any series of Preferred Stock that the Corporation may issue ranking junior to the Series A Preferred Stock as to the payment of dividends and the distribution of assets upon liquidation, dissolution, or winding up) shall be declared or paid or set aside for payment upon shares of Common Stock or Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends, or upon liquidation, dissolution, or winding up, (ii) no other distribution shall be declared or made upon shares of Common Stock or Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up, and (iii) any shares of Common Stock and Preferred Stock that the Corporation may issue ranking junior to, or on a parity with the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up, shall not be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any such shares) by the Corporation (except by conversion into or exchange for other capital stock of the Corporation that it may issue ranking junior to the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up).

(e) When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series A Preferred Stock and upon the shares of any other series of Preferred Stock that the Corporation may issue ranking on a parity as to the payment of dividends with the Series A Preferred Stock, all dividends declared upon the Series A Preferred Stock and any other series of Preferred Stock that the Corporation may issue ranking on parity as to the payment of dividends with the Series A Preferred Stock shall be declared pro rata so that the amount of dividends declared per share of Series A Preferred Stock and such other series of Preferred Stock that the Corporation may issue shall in all cases bear to each other the same ratio that accrued dividends per share on the Series A Preferred Stock and such other series of Preferred Stock that the Corporation may issue (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such Preferred Stock does not have a cumulative dividend) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Series A Preferred Stock that may be in arrears.

(f) "Business Day" shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in New York, New York are authorized or required by law, regulation or executive order to close.

5. Liquidation Preference.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Series A Preferred Stock will be entitled to be paid out of the assets the Corporation has legally available for distribution to its shareholders, subject to the preferential rights of the holders of any class or series of capital stock of the Corporation it may issue ranking senior to the Series A Preferred Stock with respect to the distribution of assets upon liquidation, dissolution or winding up, a liquidation preference of Twenty-Five Dollars (\$25.00) per share plus an amount equal to any accumulated and unpaid dividends to, but not including, the date of payment, before any distribution of assets is made to holders of Common Stock or any other class or series of capital stock of the Corporation that it may issue that ranks junior to the Series A Preferred Stock as to liquidation rights. The liquidation preference shall be proportionately adjusted in the event of a stock split, stock combination or similar event so that the aggregate liquidation preference allocable to all outstanding shares of Series A Preferred Stock immediately prior to such event is the same immediately after giving effect to such event.

(b) In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding up, the available assets of the Corporation are insufficient to pay the amount of the liquidating distributions on all outstanding shares of Series A Preferred Stock and the corresponding amounts payable on all shares of other classes or series of capital stock of the Corporation that it may issue ranking on a parity with the Series A Preferred Stock in the distribution of assets, then the holders of the Series A Preferred Stock and all other such classes or series of capital stock shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

(c) Holders of Series A Preferred Stock will be entitled to written notice of any such liquidation, dissolution or winding up no fewer than 30 days and no more than 60 days prior to the payment date. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of Series A Preferred Stock will have no right or claim to any of the remaining assets of the Corporation. The consolidation or merger of the Corporation with or into any other corporation, trust or entity or of any other entity with or into the Corporation, or the sale, lease, transfer or conveyance of all or substantially all of the property or business the Corporation, shall not be deemed a liquidation, dissolution or winding up of the Corporation.

6. Redemption.

(a) The Series A Preferred Stock is not redeemable by the Company prior to November 4, 2020, except as described in this Section 6.

(b) Optional Redemption Right. On and after November 4, 2020, the Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series A Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. If the Corporation elects to redeem any shares of Series A Preferred Stock as described in this Section 6(b), it may use any available cash to pay the redemption price, and it will not be required to pay the redemption price only out of the proceeds from the issuance of other equity securities or any other specific source.

(c) Special Optional Redemption Right. Notwithstanding anything to the contrary contained in Section 6(a), upon the occurrence of a Change of Control, the Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series A Preferred Stock, in whole or in part, within 120 days after the first date on which such Change of Control occurred, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the redemption date. If the Corporation elects to redeem any shares of Series A Preferred Stock as described in this Section 6(c), it may use any available cash to pay the redemption price, and it will not be required to pay the redemption price only out of the proceeds from the issuance of other equity securities or any other specific source.

(d) A "Change of Control" is deemed to occur when, after November 4, 2015, the following have occurred and are continuing: (i) the acquisition by any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (other than Mahmud Haq, any member of his immediate family, and any "person" or "group" under Section 13(d)(3) of the Exchange Act, that is controlled by Mr. Haq or any member of his immediate family, any beneficiary of the estate of Mr. Haq, or any trust, partnership, corporate or other entity controlled by any of the foregoing), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of stock of the Corporation entitling that person to exercise more than 50% of the total voting power of all stock of the Corporation entitled to vote generally in the election of directors of the Corporation (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and (ii) following the closing of any transaction referred to in clause (i), neither the Corporation nor the acquiring or surviving entity has a class of common securities (or American Depositary Receipts representing such securities) listed on the New York Stock Exchange (the "NYSE"), the NYSE MKT LLC (the "NYSE MKT") or the Nasdaq Stock Market ("Nasdaq"), or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE MKT or Nasdaq.

(e) In the event the Corporation elects to redeem Series A Preferred Stock, the notice of redemption will be mailed by the Corporation, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, to each holder of record of Series A Preferred Stock called for redemption at such holder's address as it appears on the stock transfer records of the Corporation and shall state: (i) the redemption date; (ii) the number of shares of Series A Preferred Stock to be redeemed; (iii) the redemption price; (iv) the place or places where certificates (if any) for the Series A Preferred Stock are to be surrendered for payment of the redemption price; (v) that dividends on the shares to be redeemed will cease to accumulate on the redemption date; (vi) whether such redemption is being made pursuant to Section 6(b) or Section 6(c); and (vii) if applicable, that such redemption is being made in connection with a Change of Control and, in that case, a brief description of the transaction or transactions constituting such Change of Control. If less than all of the shares of Series A Preferred Stock held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series A Preferred Stock held by such holder to be redeemed. No failure to give such notice or any defect thereto or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of Series A Preferred Stock except as to the holder to whom notice was defective or not given.

(f) Holders of Series A Preferred Stock to be redeemed shall surrender the Series A Preferred Stock at the place designated in the notice of redemption and shall be entitled to the redemption price and any accumulated and unpaid dividends payable upon the redemption following the surrender.

(g) If notice of redemption of any shares of Series A Preferred Stock has been given and if the Corporation irrevocably sets aside the funds necessary for redemption in trust for the benefit of the holders of the shares of Series A Preferred Stock so called for redemption, then from and after the redemption date (unless the Corporation shall default in providing for the payment of the redemption price plus accumulated and unpaid dividends, if any), dividends will cease to accumulate on those shares of Series A Preferred Stock, those shares of Series A Preferred Stock shall no longer be deemed outstanding and all rights of the holders of those shares will terminate, except the right to receive the redemption price plus accumulated and unpaid dividends, if any, payable upon redemption.

(h) If any redemption date is not a Business Day, then the redemption price and accumulated and unpaid dividends, if any, payable upon redemption may be paid on the next Business Day and no interest, additional dividends or other sums will accumulate on the amount payable for the period from and after that redemption date to that next Business Day.

(i) If less than all of the outstanding Series A Preferred Stock is to be redeemed, the Series A Preferred Stock to be redeemed shall be selected pro rata (as nearly as may be practicable without creating fractional shares) or by any other equitable method the Corporation shall determine.

(j) In connection with any redemption of Series A Preferred Stock, the Corporation shall pay, in cash, any accumulated and unpaid dividends to, but not including, the redemption date, unless a redemption date falls after a Dividend Record Date and prior to the corresponding Dividend Payment Date, in which case each holder of Series A Preferred Stock at the close of business on such Dividend Record Date shall be entitled to the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the redemption of such shares before such Dividend Payment Date. Except as provided in this Section 6(j), the Corporation will make no payment or allowance for unpaid dividends, whether or not in arrears, on shares of the Series A Preferred Stock to be redeemed.

(k) Unless full cumulative dividends on all shares of Series A Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, no shares of Series A Preferred Stock shall be redeemed unless all outstanding shares of Series A Preferred Stock are simultaneously redeemed and the Corporation shall not purchase or otherwise acquire directly or indirectly any shares of Series A Preferred Stock (except by exchanging it for its capital stock ranking junior to the Series A Preferred Stock as to the payment of dividends, or the distribution of assets upon liquidation, dissolution, or winding up); provided, however, that the foregoing shall not prevent the purchase or acquisition by the Corporation of shares of Series A Preferred Stock pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series A Preferred Stock.

(l) Subject to applicable law, the Corporation may purchase shares of Series A Preferred Stock in the open market, by tender or by private agreement. Any shares of Series A Preferred Stock that the Corporation acquires may be retired and re-classified as authorized but unissued shares of Preferred Stock, without designation as to class or series, and may thereafter be reissued as any class or series of Preferred Stock.

7. No Conversion Rights. The shares of Series A Preferred Stock are not convertible into or exchangeable for any other property or securities of the Corporation.

8. Voting Rights.

(a) Holders of the Series A Preferred Stock will not have any voting rights, except as set forth in this Section 8 or as otherwise required by law. On each matter on which holders of Series A Preferred Stock are entitled to vote, each share of Series A Preferred Stock will be entitled to one vote, except that when shares of any other class or series of Preferred Stock the Corporation may issue have the right to vote with the Series A Preferred Stock as a single class on any matter, the Series A Preferred Stock and the shares of each such other class or series will have one vote for each \$25.00 of liquidation preference (excluding accumulated dividends).

(b) Whenever dividends on any shares of Series A Preferred Stock are in arrears for eighteen or more monthly dividend periods, whether or not consecutive, the number of directors constituting the Board of Directors will be automatically increased by two (if not already increased by two by reason of the election of directors by the holders of any other class or series of Preferred Stock the Corporation may issue upon which like voting rights have been conferred and are exercisable and with which the Series A Preferred Stock is entitled to vote as a class with respect to the election of those two directors) and the holders of Series A Preferred Stock (voting separately as a class with all other classes or series of Preferred Stock the Corporation may issue upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two directors) will be entitled to vote for the election of those two additional directors (the "Preferred Stock Directors") at a special meeting called by the Corporation at the request of the holders of record of at least 25% of the outstanding shares of Series A Preferred Stock or by the holders of any other class or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of those two Preferred Stock Directors (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of shareholders of the Corporation, in which case, such vote will be held at the earlier of the next annual or special meeting of shareholders of the Corporation), and at each subsequent annual meeting until all dividends accumulated on the Series A Preferred Stock for all past dividend periods and the then current dividend period have been fully paid or declared and a sum sufficient for the payment thereof set aside for payment. In that case, the right of holders of the Series A Preferred Stock to elect any directors will cease and, unless there are other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable, any directors elected by holders of the Series A Preferred Stock shall immediately resign and the number of directors constituting the Board of Directors shall be reduced accordingly. In no event shall the holders of Series A Preferred Stock be entitled under the voting rights under this Section 8 to elect a preferred stock director that would cause the Corporation to fail to satisfy a requirement relating to director independence of any national securities exchange or quotation system on which any class or series of the capital stock of the Corporation is listed or quoted. For the avoidance of doubt, in no event shall the total number of Preferred Stock Directors elected by holders of the Series A Preferred Stock (voting separately as a class with all other classes or series of Preferred Stock the Corporation may issue upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of such directors) pursuant to the voting rights under this Section 8 exceed two.

(c) If a special meeting is not called by the Corporation within 30 days after request from the holders of Series A Preferred Stock as described in Section 8(b), then the holders of record of at least 25% of the outstanding Series A Preferred Stock may designate a holder to call the meeting at the expense of the Corporation and such meeting may be called by the holder so designated upon notice similar to that required for annual meetings of stockholders and shall be held at the place designated by the holder calling such meeting. The Corporation shall pay all costs and expenses of calling and holding any meeting and of electing directors pursuant to Section 8(b), including, without limitation, the cost of preparing, reproducing and mailing the notice of such meeting, the cost of renting a room for such meeting to be held, and the cost of collecting and tabulating votes.

(d) If, at any time when the voting rights conferred upon the Series A Preferred Stock pursuant to Section 8(b) are exercisable, any vacancy in the office of a Preferred Stock Director elected pursuant to Section 8(b) shall occur, then such vacancy may be filled only by a written consent of the remaining Preferred Stock Director, or if none remains in office, by vote of the holders of record of the outstanding Series A Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series A Preferred Stock in the election of directors pursuant to Section 8(b). Any director elected or appointed pursuant to Section 8(b) may be removed only by the affirmative vote of holders of the outstanding Series A Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which classes or series of Preferred Stock are entitled to vote as a class with the Series A Preferred Stock in the election of directors pursuant to Section 8(b), such removal to be effected by the affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding Series A Preferred Stock and any such other classes or series of Preferred Stock, and may not be removed by the holders of the Common Stock.

(e) So long as any shares of Series A Preferred Stock remain outstanding, the Corporation will not, without the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series A Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting together as a class with all other series of parity Preferred Stock that the Corporation may issue upon which like voting rights have been conferred and are exercisable), (i) authorize or create, or increase the authorized or issued amount of, any class or series of capital stock ranking senior to the Series A Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up or reclassify any of the authorized capital stock of the Corporation into such shares, or create, authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares; or (ii) amend, alter, repeal or replace the Certificate of Incorporation, including by way of merger, consolidation or otherwise in which the Corporation may or may not be the surviving entity, so as to materially and adversely affect and deprive holders of Series A Preferred Stock of any right, preference, privilege or voting power of the Series A Preferred Stock (each, an "Event"). An increase in the amount of the authorized Preferred Stock, including the Series A Preferred Stock, or the creation or issuance of any additional Series A Preferred Stock or other series of Preferred Stock that the Corporation may issue, or any increase in the amount of authorized shares of such series, in each case ranking on a parity with or junior to the Series A Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

(f) Notwithstanding Section 8(e)(ii) above, if any Event set forth in Section 8(e)(ii) above materially and adversely affects any right, preference, privilege or voting power of the Series A Preferred Stock but not all series of parity Preferred Stock that the Corporation may issue upon which like voting rights have been conferred and are exercisable, the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series A Preferred Stock and all such other similarly affected series, outstanding at the time (voting together as a class), given in person or by proxy, either in writing or at a meeting, shall be required in lieu of the vote or consent that would otherwise be required by Section 8(e)(ii).

(g) The voting rights provided for in this Section 8 will not apply if, at or prior to the time when the act with respect to which voting by holders of the Series A Preferred Stock would otherwise be required pursuant to this Section 8 shall be effected, all outstanding shares of Series A Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption pursuant to Section 6.

(h) Except as expressly stated in this Section 8 or as may be required by applicable law, the Series A Preferred Stock will not have any relative, participating, optional or other special voting rights or powers and the consent of the holders thereof shall not be required for the taking of any corporate action.

9. Information Rights. During any period in which the Corporation is not subject to Section 13 or 15(d) of the Exchange Act and any shares of Series A Preferred Stock are outstanding, the Corporation will use its best efforts to (i) transmit by mail (or other permissible means under the Exchange Act) to all holders of Series A Preferred Stock, as their names and addresses appear on the record books of the Corporation and without cost to such holders, copies of the annual reports on Form 10-K and quarterly reports on Form 10-Q that the Corporation would have been required to file with the Securities and Exchange Commission (the "SEC") pursuant to Section 13 or 15(d) of the Exchange Act if it were subject thereto (other than any exhibits that would have been required); and (ii) promptly, upon request, supply copies of such reports to any holders or prospective holder of Series A Preferred Stock. The Corporation will use its best efforts to mail (or otherwise provide) the information to the holders of the Series A Preferred Stock within 15 days after the respective dates by which a periodic report on Form 10-K or Form 10-Q, as the case may be, in respect of such information would have been required to be filed with the SEC, if the Corporation were subject to Section 13 or 15(d) of the Exchange Act, in each case, based on the dates on which the Corporation would be required to file such periodic reports if it were a "non-accelerated filer" within the meaning of the Exchange Act.

10. No Preemptive Rights. No holders of the Series A Preferred Stock will, as holders of Series A Preferred Stock, have any preemptive rights to purchase or subscribe for Common Stock or any other security of the Corporation.

11. Record Holders. The Corporation and the transfer agent for the Series A Preferred Stock may deem and treat the record holder of any Series A Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor the transfer agent shall be affected by any notice to the contrary.

However, except as provided in Section 9(a) relating to Capitalization Adjustments, to the extent required by applicable law or listing requirements, stockholder approval shall be required for any amendment of the Plan that either (A) materially increases the number of shares of Stock available for issuance under the Plan, (B) materially expands the class of individuals eligible to receive Awards under the Plan, (C) materially increases the benefits accruing to Participants under the Plan or materially reduces the price at which shares of Stock may be issued or purchased under the Plan, (D) materially extends the term of the Plan, or (E) expands the types of Awards available for issuance under the Plan. Notwithstanding the foregoing, subject to the limitations of applicable law, if any, the Board may amend the terms of any one or more Awards without the affected Participant's consent if necessary to maintain the qualified status of the Award as an Incentive Stock Option or to bring the Award into compliance with Section 409A of the Code.

(c) Delegation to Committee.

(i) General. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board shall thereafter be to the Committee or subcommittee), subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated.

(ii) Section 162(m) and Rule 16b-3 Compliance. The Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3.

(d) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

(e) Cancellation and Re-Grant of Stock Awards. Neither the Board nor any Committee shall have the authority to: (i) reduce the exercise price of any outstanding Options or Stock Appreciation Rights under the Plan, or (ii) cancel any outstanding Options or Stock Appreciation Rights that have an exercise price or strike price greater than the current Fair Market Value of the Common Stock in exchange for cash or other Stock Awards under the Plan, unless the stockholders of the Company have approved such an action within twelve (12) months prior to such an event. Notwithstanding the foregoing, the Board or Committee shall have the authority, without the approval of the Company's stockholders, to cancel outstanding Options or Stock Appreciation Rights that have an exercise price or strike price greater than the current Fair Market Value of the Common Stock in exchange only for a nominal cash payment of consideration as necessary to effect a cancellation of the Award, provided that such cancellation is not treated as a repricing under United States generally accepted accounting principles.

3. Shares Subject to the Plan.

(a) Share Reserve. The aggregate number of shares of Common Stock that may be issued pursuant to Stock Awards shall not exceed 2,851,000 shares, and the aggregate number of shares of Series A Preferred Stock that may be issued pursuant to Stock Awards shall not exceed 100,000. Contemporaneously with the adoption of this Plan, the Corporation may effectuate a reverse stock split of the Common Stock, in which case, the number of shares of Common Stock that may be issued pursuant to Stock Awards shall be adjusted in accordance with Section 9(a) relating to Capitalization Adjustments.

(b) Reversion of Shares to the Share Reserve. If any shares of Stock issued pursuant to a Stock Award are forfeited back to the Company because of the failure to meet a contingency or condition required to vest such shares in the Participant, then the shares that are forfeited shall revert to and again become available for issuance under the Plan. Any shares reacquired by the Company pursuant to Section 8(g) or as consideration for the exercise of an Option shall again become available for issuance under the Plan.

(c) Incentive Stock Option Limit. Notwithstanding anything to the contrary in this Section 3 and, subject to the provisions of Section 9(a) relating to Capitalization Adjustments, the aggregate maximum number of shares of Common Stock that may be issued pursuant to the exercise of Incentive Stock Options granted shall be 1,000,000 shares of Common Stock.

(d) Source of Shares. The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Stock, including shares repurchased by the Company on the open market or otherwise.

4. Eligibility.

(a) Eligibility for Specific Stock Awards. Incentive Stock Options may be granted only to employees of the Company or a “parent corporation” or “subsidiary corporation” thereof (as such terms are defined in Sections 424(e) and (f) of the Code). Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants; *provided, however*, Nonstatutory Stock Options and SARs may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any “parent” of the Company, as such term is defined in Rule 405, unless the stock underlying such Stock Awards is treated as “service recipient stock” under Section 409A of the Code because the Stock Awards are granted pursuant to a corporate transaction (such as a spin off transaction) or unless such Stock Awards comply with the distribution requirements of Section 409A of the Code.

(b) Ten Percent Stockholders. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant.

(c) Section 162(m) Limitation on Annual Grants. Subject to the provisions of Section 9(a) relating to Capitalization Adjustments, at such time as the Company may be subject to the applicable provisions of Section 162(m) of the Code, no Participant shall be eligible to be granted, during any calendar year, Options, Stock Appreciation Rights and Other Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least one hundred percent (100%) of the Fair Market Value on the date the Stock Award is granted covering more than 1,500,000 shares of Common Stock.

5. Provisions relating to Options and Stock Appreciation Rights.

Each Option or SAR shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, then the Option shall be a Nonstatutory Stock Option. The provisions of separate Options or SARs need not be identical; *provided, however*, that each Option Agreement or Stock Appreciation Right Agreement shall conform to (through incorporation of provisions hereof by reference in the applicable Award Agreement or otherwise) the substance of each of the following provisions:

(a) Term. Subject to the provisions of Section 4(b) regarding Ten Percent Stockholders, no Option or SAR shall be exercisable after the expiration of ten (10) years from the date of its grant or such shorter period specified in the Award Agreement.

(b) Exercise Price. Subject to the provisions of Section 4(b) regarding Ten Percent Stockholders, the exercise price (or strike price) of each Option or SAR shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option or SAR on the date the Option or SAR is granted. Notwithstanding the foregoing, an Option or SAR may be granted with an exercise price (or strike price) lower than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option or SAR if such Option or SAR is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Corporate Transaction and in a manner consistent with the provisions of Sections 409A and, if applicable, 424(a) of the Code. Each SAR will be denominated in shares of Common Stock equivalents.

(c) Purchase Price for Options. The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The permitted methods of payment are as follows:

- (i)** by cash, check, bank draft or money order payable to the Company;

(ii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(iv) if the option is a Nonstatutory Stock Option, by a “net exercise” arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however*, that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued; *provided, further*, that shares of Common Stock will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) shares issuable upon exercise are reduced to pay the exercise price pursuant to the “net exercise,” (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or

(v) in any other form of legal consideration that may be acceptable to the Board.

(d) Exercise and Payment of a SAR. To exercise any outstanding Stock Appreciation Right, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right. The appreciation distribution payable on the exercise of a Stock Appreciation Right will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the Stock Appreciation Right) of a number of shares of Common Stock equal to the number of Common Stock equivalents in which the Participant is vested under such Stock Appreciation Right, and with respect to which the Participant is exercising the Stock Appreciation Right on such date, over (B) the strike price that will be determined by the Board at the time of grant of the Stock Appreciation Right. The appreciation distribution in respect to a Stock Appreciation Right may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such Stock Appreciation Right.

(e) Transferability of Options and SARs. The Board may, in its sole discretion, impose such limitations on the transferability of Options and SARs as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and SARs shall apply:

(i) Restrictions on Transfer. An Option or SAR shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant; *provided, however*, that the Board may, in its sole discretion, permit transfer of the Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant’s request. Except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration.

(ii) Domestic Relations Orders. Notwithstanding the foregoing, an Option or SAR may be transferred pursuant to a domestic relations order *provided, however,* that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer.

(iii) Beneficiary Designation. Notwithstanding the foregoing, the Participant may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company and any broker designated by the Company to effect Option exercises, designate a third party who, in the event of the death of the Participant, shall thereafter be entitled to exercise the Option or SAR and receive the Common Stock or other consideration resulting from such exercise. In the absence of such a designation, the executor or administrator of the Participant's estate shall be entitled to exercise the Option or SAR and receive the Common Stock or other consideration resulting from such exercise.

(f) Vesting Generally. The total number of shares of Common Stock subject to an Option or SAR may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option or SAR may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options or SARs may vary. The provisions of this Section 5(f) are subject to any Option or SAR provisions governing the minimum number of shares of Common Stock as to which an Option or SAR may be exercised.

(g) Termination of Continuous Service. Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if a Participant's Continuous Service terminates (other than for Cause or upon the Participant's death or Disability), the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Award as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the applicable Award Agreement), or (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the time specified herein or in the Award Agreement (as applicable), the Option or SAR shall terminate.

(h) Extension of Termination Date. If the exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause or upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option or SAR shall terminate on the earlier of (i) the expiration of a total period of three (3) months (that need not be consecutive) after the termination of the Participant's Continuous Service during which the exercise of the Option or SAR would not be in violation of such registration requirements, or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement. In addition, unless otherwise provided in a Participant's Award Agreement, if the sale of any Common Stock received upon exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause) would violate the Company's insider trading policy, then the Option or SAR shall terminate on the earlier of (i) the expiration of a period equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the exercise of the Option or SAR would not be in violation of the Company's insider trading policy, or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement.

(i) Disability of Participant. Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if a Participant's Continuous Service terminates as a result of the Participant's Disability, the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Option or SAR as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination of Continuous Service (or such longer or shorter period specified in the Award Agreement), or (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the time specified herein or in the Award Agreement (as applicable), the Option or SAR (as applicable) shall terminate.

(j) Death of Participant. Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if (i) a Participant's Continuous Service terminates as a result of the Participant's death, or (ii) the Participant dies within the period (if any) specified in the Award Agreement after the termination of the Participant's Continuous Service for a reason other than death, then the Option or SAR may be exercised (to the extent the Participant was entitled to exercise such Option or SAR as of the date of death) by the Participant's estate, by a person who acquired the right to exercise the Option or SAR by bequest or inheritance or by a person designated to exercise the Option or SAR upon the Participant's death, but only within the period ending on the earlier of (i) the date eighteen (18) months following the date of death (or such longer or shorter period specified in the Award Agreement), or (ii) the expiration of the term of such Option or SAR as set forth in the Award Agreement. If, after the Participant's death, the Option or SAR is not exercised within the time specified herein or in the Award Agreement (as applicable), the Option or SAR shall terminate.

(k) Termination for Cause. Except as explicitly provided otherwise in a Participant's Award Agreement, if a Participant's Continuous Service is terminated for Cause, the Option or SAR shall terminate upon the date on which the event giving rise to the termination occurred, and the Participant shall be prohibited from exercising his or her Option or SAR from and after the time of such termination of Continuous Service.

(l) Non-Exempt Employees. No Option or SAR granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, shall be first exercisable for any shares of Common Stock until at least six months following the date of grant of the Option or SAR. Notwithstanding the foregoing, consistent with the provisions of the Worker Economic Opportunity Act, (i) in the event of the Participant's death or Disability, (ii) upon a Corporate Transaction in which such Option or SAR is not assumed, continued, or substituted, (iii) upon a Change in Control, or (iv) upon the Participant's retirement (as such term may be defined in the Participant's Award Agreement or in another applicable agreement or in accordance with the Company's then current employment policies and guidelines), any such vested Options and SARs may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay.

6. Provisions of Stock Awards other than Options and SARs.

(a) Restricted Stock Awards. Each Restricted Stock Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Stock may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (y) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical; *provided, however*, that each Restricted Stock Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Restricted Stock Award may be awarded in consideration for (A) cash, check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of legal consideration (including future services) that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. Shares of Stock awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

(iii) Termination of Participant's Continuous Service. If a Participant's Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right any or all of the shares of Stock held by the Participant that have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement.

(iv) Transferability. Rights to acquire shares of Stock under the Restricted Stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award Agreement, as the Board shall determine in its sole discretion, so long as Stock awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

(v) Dividends. A Restricted Stock Award Agreement may provide that any dividends paid on Restricted Stock will be subject to the same vesting and forfeiture restrictions as apply to the shares subject to the Restricted Stock Award to which they relate.

(b) Restricted Stock Unit Awards. Each Restricted Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical; *provided, however,* that each Restricted Stock Unit Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Stock subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Stock subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions on or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) Payment. A Restricted Stock Unit Award may be settled by the delivery of shares of Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

(iv) Additional Restrictions. At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Stock (or their cash equivalent) subject to a Restricted Stock Unit Award to a time after the vesting of such Restricted Stock Unit Award.

(v) Dividend Equivalents. Dividend equivalents may be credited in respect of shares of Stock covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional shares of Stock covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Restricted Stock Unit Award credited by reason of such dividend equivalents will be subject to all of the same terms and conditions of the underlying Restricted Stock Unit Award Agreement to which they relate.

(vi) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(c) Performance Awards

(i) Performance Stock Awards. A Performance Stock Award is a Stock Award that may vest or may be exercised contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Stock Award may, but need not, require the completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee, in its sole discretion. The Board may provide for or, subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Stock Award to be deferred to a specified date or event. In addition, to the extent permitted by applicable law and the applicable Award Agreement, the Board may determine that cash may be used in payment of Performance Stock Awards.

(ii) Performance Cash-Settled Awards. A Performance Cash-Settled Award is a cash award that may be paid contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Cash-Settled Award may also require the completion of a specified period of Continuous Service. At the time of grant of a Performance Cash-Settled Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Committee, in its sole discretion. The Board may provide for or, subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Cash-Settled Award to be deferred to a specified date or event. The Committee may specify the form of payment of Performance Cash-Settled Awards, which may be cash or other property, or may provide for a Participant to have the option for his or her Performance Cash-Settled Award, or such portion thereof as the Board may specify, to be paid in whole or in part in cash or other property.

(iii) Section 162(m) Compliance. Unless otherwise permitted in compliance with the requirements of Section 162(m) of the Code with respect to an Award intended to qualify as "performance-based compensation" thereunder, the Committee shall establish the Performance Goals applicable to, and the formula for calculating the amount payable under, the Award no later than the earlier of (a) the date ninety (90) days after the commencement of the applicable Performance Period, or (b) the date on which twenty-five (25%) of the Performance Period has elapsed, and in any event at a time when the achievement of the applicable Performance Goals remains substantially uncertain. Prior to the payment of any compensation under an Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code, the Committee shall certify the extent to which any Performance Goals and any other material terms under such Award have been satisfied (other than in cases where such relate solely to the increase in the value of the Common Stock). Notwithstanding satisfaction of any completion of any Performance Goals, to the extent specified at the time of grant of an Award to "covered employees" within the meaning of Section 162(m) of the Code, the number of Shares, Options, cash or other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Performance Goals may be reduced by the Committee on the basis of such further considerations as the Committee, in its sole discretion, shall determine.

(d) Other Stock Awards. Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Stock, including the appreciation in value thereof (e.g., options or stock rights with an exercise price or strike price less than 100% of the Fair Market Value of the Common Stock at the time of grant) may be granted either alone or in addition to Stock Awards provided for under Section 5 and the preceding provisions of this Section 6. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Stock (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

7. Covenants of the Company.

(a) Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Stock reasonably required to satisfy such Stock Awards.

(b) Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Stock upon exercise of the Stock Awards; *provided, however*, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Stock upon exercise of such Stock Awards unless and until such authority is obtained. A Participant shall not be eligible for the grant of a Stock Award or the subsequent issuance of Stock pursuant to the Stock Award if such grant or issuance would be in violation of any applicable securities law.

(c) No Obligation to Notify or Minimize Taxes. The Company shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of a Stock Award or a possible period in which the Stock Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of a Stock Award to the holder of such Stock Award.

8. Miscellaneous.

(a) Use of Proceeds from Sales of Stock. Proceeds from the sale of shares of Stock pursuant to Stock Awards shall constitute general funds of the Company.

(b) Corporate Action Constituting Grant of Stock Awards. Corporate action constituting a grant by the Company of a Stock Award to any Participant shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is communicated to, or actually received or accepted by, the Participant.

(c) Stockholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Stock subject to such Stock Award unless and until (i) such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms, if applicable, and (ii) the issuance of the Stock subject to such Stock Award has been entered into the books and records of the Company.

(d) No Employment or Other Service Rights. Nothing in the Plan, any Stock Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(e) Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(f) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (A) the issuance of the shares upon the exercise or acquisition of Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act, or (B) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Stock.

(g) Withholding Obligations. Unless prohibited by the terms of a Stock Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding shares of Stock from the shares of Stock issued or otherwise issuable to the Participant in connection with the Award; *provided, however*, that no shares of Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lesser amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; or (v) by such other method as may be set forth in the Award Agreement.

(h) Electronic Delivery. Any reference herein to a “written” agreement or document shall include any agreement or document delivered electronically or posted on the Company’s intranet.

(i) Deferrals. To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants will be made in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Board may provide for distributions while a Participant is still an employee or otherwise providing services to the Company. The Board is authorized to make deferrals of Awards and determine when, and in what annual percentages, Participants may receive payments, including lump sum payments, following the Participant’s termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

(j) Compliance with Section 409A. To the extent that the Board determines that any Award granted hereunder is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the Shares are publicly traded and a Participant holding an Award that constitutes “deferred compensation” under Section 409A of the Code is a “specified employee” for purposes of Section 409A of the Code, no distribution or payment of any amount shall be made upon a “separation from service” before a date that is six (6) months following the date of such Participant’s “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) or, if earlier, the date of the Participant’s death.

(k) Relationship to other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

9. Adjustments upon Changes in Stock; Other Corporate Events.

(a) Capitalization Adjustments. In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 3(c), (iii) the class(es) and maximum number of securities that may be awarded to any person pursuant to Sections 4(c) and 6(c)(i), and (iv) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board shall make such adjustments, and its determination shall be final, binding and conclusive.

(b) Dissolution or Liquidation. Except as otherwise provided in the Stock Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding shares of Stock not subject to a forfeiture condition or the Company's right of repurchase) shall terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Stock subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Stock Award is providing Continuous Service, *provided, however*, that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c) Corporate Transaction. The following provisions shall apply to Stock Awards in the event of a Corporate Transaction unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the holder of the Stock Award or unless otherwise expressly provided by the Board at the time of grant of a Stock Award. In the event of a Corporate Transaction, then, notwithstanding any other provision of the Plan, the Board shall take one or more of the following actions with respect to Stock Awards, contingent upon the closing or completion of the Corporate Transaction:

(i) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Stock Award or to substitute a similar stock award for the Stock Award (including, but not limited to, an award to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction);

(ii) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Stock issued pursuant to the Stock Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);

(iii) accelerate the vesting of the Stock Award (and, if applicable, the time at which the Stock Award may be exercised) to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective date of the Corporate Transaction), with such Stock Award terminating if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction;

(iv) arrange for the lapse of any reacquisition or repurchase rights held by the Company with respect to the Stock Award;

(v) cancel or arrange for the cancellation of the Stock Award, to the extent not vested or not exercised prior to the effective time of the Corporate Transaction, in exchange for such cash consideration, if any, as the Board, in its sole discretion, may consider appropriate; and

(vi) make a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the value of the property the Participant would have received upon the exercise of the Stock Award, over (B) any exercise price payable by such holder in connection with such exercise.

The Board need not take the same action or actions with respect to all Stock Awards or portions thereof or with respect to all Participants.

(d) Change in Control. A Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant. In the absence of such provision, one year acceleration of vesting shall occur.

10. Termination or Suspension of the Plan.

(a) Plan Term. The Board may suspend or terminate the Plan at any time. Unless terminated sooner by the Board, the Plan shall automatically terminate on the day before the tenth (10th) anniversary of the earlier of (i) the date the Plan is adopted by the Board, or (ii) the date the Plan is approved by the stockholders of the Company. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) No Impairment of Rights. Suspension or termination of the Plan shall not impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant.

11. Effective Date of Plan.

This Plan shall become effective on the Effective Date.

12. Choice of Law.

The law of the State of Delaware shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to that state's conflict of laws rules.

13. Definitions. As used in the Plan, the following definitions shall apply to the capitalized terms indicated below:

(a) "**Affiliate**" means, at the time of determination, any "parent" or "subsidiary" of the Company as such terms are defined in Rule 405 of the Securities Act. The Board shall have the authority to determine the time or times at which "parent" or "subsidiary" status is determined within the foregoing definition.

(b) "**Award**" means a Stock Award or a Performance Cash-Settled Award.

(c) "**Award Agreement**" means a written agreement between the Company and a Participant evidencing the terms and conditions of an Award.

(d) "**Board**" means the Board of Directors of the Company.

(e) "**Capitalization Adjustment**" means any change that is made in, or other events that occur with respect to, the Stock subject to the Plan or subject to any Stock Award after the Effective Date without the receipt of consideration by the Company through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards No. 123 (revised). Notwithstanding the foregoing, the conversion of any convertible securities of the Company shall not be treated as a Capitalization Adjustment.

(f) "**Cause**" shall have the meaning ascribed to such term in any written agreement between the Participant and the Company defining such term and, in the absence of such agreement, such term shall mean, with respect to a Participant, the occurrence of any of the following events that has a material negative impact on the business or reputation of the Company: (i) such Participant's attempted commission of, or participation in, a fraud or act of dishonesty against the Company; (ii) such Participant's intentional, material violation of any contract or agreement between the Participant and the Company or of any statutory duty owed to the Company; (iii) such Participant's unauthorized use or disclosure of the Company's confidential information or trade secrets; or (iv) such Participant's gross misconduct. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause shall be made by the Company, in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated with or without Cause for the purposes of outstanding Awards held by such Participant shall have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

(g) “**Change in Control**” means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the combined voting power of the Company’s then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company’s securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the “*Subject Person*”) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than fifty percent (50%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than fifty percent (50%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iii) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition; or

(iv) individuals who, on the date the Plan is adopted by the Board, are members of the Board (the “**Incumbent Board**”) cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

Notwithstanding the foregoing or any other provision of this Plan, (A) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, and (B) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; *provided, however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

(m) “*Continuous Service*” means that the Participant’s service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, shall not terminate a Participant’s Continuous Service; *provided, however*, if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board, in its sole discretion, such Participant’s Continuous Service shall be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party’s sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of (i) any leave of absence approved by the Board or Chief Executive Officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in a Stock Award only to such extent as may be provided in the Company’s leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.

(n) “*Corporate Transaction*” means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

(iii) the consummation of a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or

(iv) the consummation of a merger, consolidation or similar transaction following which the Company is the surviving corporation but the shares of Common Stock outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.
